

The presenters should join to the respective rooms according to their label.

### How join a breakout room

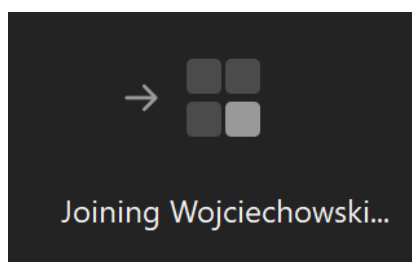

Being in the main room from bottom panel select the 'Breakout Rooms' icon. If icon is not showing select 'More' icon or '...' icon and look for the 'Breakout Rooms' icon.

A breakout room window will then open. Press 'Join' to attend to selected breakout room (e.g. 'Wojciechowski').

When you press the 'Join' button, a message will be displayed asking you to confirm your breakout room selection.

If you choose 'Yes' you will join the selected room

Being in the selected breakout you can go directly to another breakout room by selecting the 'Breakout Room' icon on the bottom panel and choosing the breakout room you want to join.

You can return to the main room at any time by selecting the 'Leave Room' icon (right bottom corner) and then choose 'Leave Breakout Room'

In case of any problems in the breakout room return to the main room and ask the host for help.
