

APPLICATION OF A CANDIDATE FOR PARTICIPATION IN A 3W MINIGRANT PROJECT

* Indicates required question

1. Email *

CANDIDATE INFORMATION

2. First and last name of the Applicant *

3. Status *

Mark only one oval.

PhD student

Scientific staff (max. 15 years after completing PhD)

4. Research topic/PhD thesis subject *

5. Scientific achievements of the candidate *

6. Title of the project *

7. Key words *

8. Short description of the project (summary) *

9. Connection of the project with the 3w subject area *

The call is open to subjects directly situated within plant biology, as well as those from related disciplines whose research focus includes methodologies, technologies, or tools with a clear relevance and potential application to plant science.

10. **Institute** of the applicant *

Mark only one oval.

- Institut de Biologie Moléculaire des Plantes (IBMP), CNRS *Skip to question 25*
- Wageningen University & Research Centre (WUR) *Skip to question 25*
- The Centre for Organismal Studies (COS) Heidelberg *Skip to question 25*
- Centre for Environmental Sciences (CMK), Hasselt University *Skip to question 25*
- Bogazici University *Skip to question 25*
- IBB *Skip to question 11*

(IBB applicant)

11. **Cooperation** *

Mark only one oval.

- Already have a partner *Skip to question 12*
- Searching for partner *Skip to question 16*

12. **Institute** *

Mark only one oval.

- Institut de Biologie Moléculaire des Plantes (IBMP), CNRS
- Wageningen University & Research Centre (WUR)
- The Centre for Organismal Studies (COS) Heidelberg
- Centre for Environmental Sciences (CMK), Hasselt University
- Bogazici University

3. INFORMATION ON THE HOSTING LABORATORY

13. Laboratory - description/justification for choosing the laboratory *

14. Name and surname, academic degree of the laboratory Head *

15. Letter of acceptance *

Files submitted:

Skip to question 17

Untitled section

16. What input do you need from a partner (provide a description related to knowledge, **infrastructure**, etc.) *

17. Description of the research problem *

18. Description of the research tasks *

For each task, describe the duration, the partner's role, and the activities performed, including the required services and reagents. The required paragraph structure -

- task name,
- duration from the month of the project till month of the project
- task description
- partner's contribution (work division)
- outcomes/milestones
- resources

19. Duration of the project (provide the time in months) *

20. Complementarity to research conducted at IBB * *

21. Partners' contribution to the collaboration *

22. How will the implementation of the grant impact the research potential of IBB *

23. Mobilities - describe the aim and duration of planned mobilities *

24. Budget *

Please upload the Excel file (attachment) and state the costs clearly.

Files submitted:

Skip to question 37

Applicant from the partnering institute

25. Cooperation *

Mark only one oval.

Already have a cooperating laboratory at IBB *Skip to question 27*

Searching for cooperating laboratory at IBB *Skip to question 26*

Untitled section

26. Describe your requirements from the host laboratory *

Skip to question 30

HOST LABORATORY DESCRIPTION

27. Laboratory - name *

28. Name and surname, academic degree of the laboratory Head *

29. Letter of acceptance *

Files submitted:

PROJECT DESCRIPTION

30. Description of the research problem *

31. Description of the research tasks *

For each task describe the duration, role of the partner and activities performed including the need for services and reagents

- task name,
- duration from the month of the project till month of the project
- task description
- partner's contribution (work division)
- outcomes/milestones
- resources

32. Duration of the project (provide the time in months) *

33. Prospects for long-term collaboration / strategic cooperation, etc. (next steps) *

34. How will the implementation of the grant impact the research potential of IBB and/or your Home Institution? *

35. Mobilities - describe the aim and duration of mobilities *

36. Budget *

Please upload the Excel file (attachment) and state the costs clearly.

Files submitted:

DECLARATIONS

In the event of a positive evaluation of the application and implementation of the minigrant, I undertake to:

1. Sign a Grant Agreement
2. Submit a Final Report
 - a certificate signed by a person representing the foreign host centre, in the case of mobility: participation in a summer/winter school;
3. Fill out an evaluation survey.
4. Participate in the assessment of the project

37. Candidate's Consent for Personal Data Processing (obligatory) *

I, the undersigned, declare that I have read the GDPR information clause and acknowledge that my personal data will be processed by IBB PAS in accordance with its content for the purpose of the 3w recruitment

Mark only one oval.

Yes

No

38. I declare that I am *

Mark only one oval.

- A doctoral candidate, admitted to the Doctoral School of the Institute of Biochemistry and Biophysics PAS, having taken the oath, not removed from the list of doctoral candidates and not having submitted the doctoral dissertation.
 - A doctoral candidate of the partnering organisation
 - A young researcher under the definition applicable to this project (i.e., I obtained my PhD degree within the last 15 years)
-
